MOTION CARRIED

Superintendent Badgley will be in contact with MACE about the junk tractors and wagons that appear on the road on West Hill. This has been an ongoing issue with a resident in that area.

A budget meeting will be held soon with the bookkeeper. Residents feel that taxes have been raised high enough and encourages the board not to put another tax hike in place this year.

The CLASS revenue could be added to also bring taxes down.

Supervisor Badgley agrees, and at this time does not foresee a large increase.
